## Vaccination camp at M3M Urbana

By **Realtynmore**

**M3M Foundation**, the philanthropic arm of **M3M Group**, and the Health Department of Gurugram jointly organised a free drive-through vaccination camp at **M3M Urbana in Sector-67, Gurugram on June 21.**

A total of 500 doses of **Covishield vaccine** were administered to beneficiaries above 18 years of age under the care of expert medical teams, said a press release. This was the second drive-through vaccination at M3M Urbana, it added.

“As vaccination is the only defence against the pandemic, we believe that by inoculating as many people at the earliest, we can reverse the risks of the virus”, said **Payal Kanodia, Trustee, M3M Foundation.**
