

Anmol Uttam

Senior Associate

New Delhi- 9810562471- anmoluttam20@gmail.com

Profile

Passionate about politics, both on a national and international scale, I am a dedicated student with a keen interest in intersectionalities. I thrive on exploring novel dimensions of sustainable development that harmonize with nature and align with SDGs. My aspirations lead me towards contributing to an innovative work environment, leveraging my skillsets to navigate and adapt to challenging situations. My goal is to not only deliver indispensable performance but also provide influential leadership, making a meaningful impact on the development of both the organization and society.
